

My Promise to You

The STUDIO 201 Dance & Cirque Family

At The STUDIO 201, I promise to lead with heart, purpose, and passion. I will always strive to create a space where every student feels safe, celebrated and supported — both as a dancer and as a human being.

The STUDIO 201 will be a place where creativity flourishes, hard work is honored, and joy is at the center of all we do.

I promise to stay humble and smile, to be approachable and to always do my best to communicate openly and honestly with both students and families.

I promise to listen with compassion, to teach with integrity, and to grow alongside each of you—continuously learning how to better serve our dancers, families, and community.

Together, we'll dance through the highs and the lows, building memories, confidence, and strength that go far beyond the studio walls.

With love and gratitude,
Miss Angie
